4,436 BUSINESS PARTNERS FY2020

Business and industry partners continue to grow with just over 4,436 business partners in **FY20**. These partners took on a variety of roles, including hosting students on internships and job shadows, speaking to classes, offering students with interactive opportunities at career events, and providing company tours. Many partners also participated in career fairs and became members of advisory councils

- * CLASSROOM SPEAKER
- * JOB SHADOW
- * INTERNSHIP/
APPRENTICESHIP
- * BUSINESS TOURS
- * TEACHER EXTERNSHIP

David Clark, P.E., a Mechanical Engineer at West Plains Engineering, a valued WLC partner for over eight years, explains the value of hosting these types of internships,

"Providing internships through Workplace Learning Connection has been a great experience. You get to introduce the future of the workforce to your company and industry. Every time you teach others you have the opportunity to learn and build your own understanding as well."
